Schedule Big War Bond Premiere For Daly City Theatre, December 7

Council Empowers Mayor to Buy Bonds

Daly City's Board of Councilmen, Monday night, purchased 10,000 worth of War Bonds, passed a resolution asking the state to improve El Camino real, referred four matters to the city attorney, F. E. Hoffman, gave Councilman B. L. Meritt an extension of his leave of absence, and heard the reading of communications and reports.

Mayor A. J. Gaggero called the meeting to order at 8:20 p. m. Clerk B. C. Ross read a letter from the Board of Fire Commissioners stating that they had received and accepted the resignation of John Albonsky from Company No. 4, D. C. F. D., with regret. Councilman Eugene V. Lynch moved that the council concur in the action of the commissioners and that compensation insurance for Albonsky be dropped. The motion passed unanimously.

The legality of paying a bill submitted to the council by the fire commissioners for repair to a coupe owned by the fire chief but used for fire department business was questioned and the matter was referred to the city attorney for recommendation.

Stanford Hannah, superintendent of Jefferson Union High School district, advised the city that he had recived a city tax bill for Lot 16 in Jefferson park, owned by the school district, and that he did not believe the property was taxable, even though it was not used for school purposes. The city attorney was asked to determine whether such school property can be legally taxed or not.

The city attorney was to draw up a resolution for the next meeting cancelling taxes on some local

In Charge of Price Program

Monsignor Egisto Tozzi, chairman of O. P. A. Board No. 83-12-3, has just appointed Mrs. Stella Jensen, clerk of the Jefferson Union High School Board of Trustees, to the position of vice-chairman of the board, in charge of the price program. Claude Cattori, Daly City, already held a vice-chairmanship on the board. He has been in charge of the rationing program. This new appointment gives Daly City-Colma its second major position on the board.

A special observance is planned for the week of December 10 in connection with the Grocer-Consumer Anti-Inflation campaign. Daly City will join with other communities under the board's jurisdiction in the program.

Office of the board is located at 470 Grand avenue, South San Francisco.

Pupils To Have Christmas Vacation

Popular topic of conversation at the schools, this week, was that magic term, "Christmas Vacation." Jefferson Union high school will be off from Thursday, December 14, after classes until Tuesday morning, January 2, 1945. The same dates will apply for pupils at the primary and elementary school of Jefferson district.

At Our Lady of Perpetual Help parochial school classes will be held, Friday, December 15. Pupils will return to classrooms there, Tuesday, January 2, the same as the public schools.

Appeal For More Blood Volunteers

Unless registration increases Daly City will not be able to make much of a showing in response to the Red Cross appeal for blood donors, according to Mrs. Ruth Morris, local chairman. Two dates on which Daly City volunteers will be provided with transportation to San Mateo have been set. They are Saturday, December 9, and Thursday, December 14. There's a choice of hours: 9 a. m. or 12:40 p. m. on either date.

Deadlines for signing up for transportation to the blood donor center are Thursday, December 7, for the December 9 times, and Monday, December 11, for the December 14 hours. Prospective donors should call Mrs. Morris at DElaware 6435.

Donors will meet at McGraw's pharmacy, 6300 Mission street, for the trip to San Mateo.

Mrs. Morris pointed again to the extreme urgency with which both whole blood and plasma are needed on the fighting front and at base hospitals.

"Your pint of blood may save some serviceman's life," she said. "Don't fail the boys who are fighting this war for us."

California Educator Addresses Lions Club

Yesterday, November 29, members of the Daly City-Colma Lions club had Roy Cloud, executive secretary of the California Teachers association, as guest speaker at their luncheon meeting. Last week, they heard Mrs. Muriel Tsvetkoff, manager of the San Francisco Better Business bureau, discuss business swindles and how to avoid them.

The Lions meet at noon every Wednesday for luncheon at Estrada's Spanish kitchen, El Camino real.

CLOSE NIGHT SCHOOL

Due to poor attendance, the Jefferson Union High School district has decided to discontinue its Tuesday and Thursday night school classes until further notice. Last class sessions are being held, this evening, November 30.

The courses offered by the night school included business subjects, Americanization classes, youth leadership, and shop work.

GIRL SCOUT COUNCIL

The December meeting of the Daly City-Colma Girl Scout Council will be held, Friday night of this week, at the home of Mrs. Allene Lehigh, 563 Crocker avenut. Mrs. Stella Jensen, commissioner, will call the session to order at 8 p. m.

After considering the various problems referred to it by the leaders' assocation and discussing advance plans, the council members will enjoy a Christmas party.

CITY COURT

Judge William J. Sweeney had few cases to hear at city court session, Friday afternoon, November 24. Only one traffic violator was fined, Ruth Lomeli, Long Beach, who paid $2.50 for disregarding a signal.

William Huggins, Price street and Hillside boulevard, forfeited $5 bail for non-appearance on a charge of being drunk in a public place. H. L. Martin, 203 Fourth street, San Francisco, forfeited $5 bail for the same reason.

Expect Event To Increase Sixth War Loan Drive Sales In This Community

On the anniversary of Pearl Harbor, December 7, this community will have a big War Bond Premiere at the Day City theatre. Walter J. Lehigh, Sixth War Loan chairman, urges residents to buy their extra bonds now to secure tickets for the program. Art Kloth, manager of the theatre through whose cooperation this highlight of the drive has been arranged, announces that the admission tickets have been placed at the Daly City branch, Bank of America, the post office, and at the bond booth in the theatre.

The premiere will be at 8 p. m., next Thursday evening, and in addition to an outstanding film never before shown in this vicinity, local organizations will present a patriotic program. Colors will be presented by Old Glory Post No. 2044, V.F.W., Girl Scouts will present a bond play, the audience will join in singing the national anthem. As a background for the Girl Scout Bond play all Brownies and Scouts of the community will be seated on the stage in uniform.

With a quota of $148,392 to meet, Daly City needs to "back the attack" in earnest, Chairman Lehigh pointed out. He suggests bonds as Christmas presents, too. Since the Treasury department has requested that Daly City residents buy $130,930 in E bonds during the drive, each individual's participation is urgently needed.

During the current week the V.F.W., post and auxiliary, has staffed the sales booth at the theatre. Next week, Daly City Post and Auxiliary No. 410, American Legion, will be in charge and Sea Scout Ship No. 149 is slated to take over for the week of December 10.

Opening week at the theatre bond booth was handled by the Girl Scouts under the supervision of Mrs. Elsie Hesselein, public relations chairman for the Girl Scout Council. The girls sold $850 in War Bonds and $55 in War Stamps.

From all sources, the first week of the drive in Daly City found a total of $31,136.50 sold, Lehigh said. $29,062.50 was in E bonds. He hopes to see the community meet and exceed its quota as it did in the Fifth War Loan when bond purchases totaled $194,137.50.

Colma district under War Finance Chairman Mrs. M. Pauline Brown and Bond Drive Chairman John Ferrari reached 12 per cent of its $82,440 quota during the first week of the campaign.

Approximately forty students at Jefferson Union high school have started training to make a house-to-house canvass selling bonds. Both Daly City and Colma will benefit from this splendid cooperation on the part of the school.

Girls who served at the theatre booth during the first week of the drive were: Senior Troop 6, La Verne Torkleson, Hazel King, Florence Hannah, Leontine Oberg, Barbara Winter, Janet Peterson; Troop 1, Carleen Leach, Helen Smith, Marjorie Kruse; Troop 2, Dolores Diliaboy, Claudia Rowley; Troop 3, Loretta DeBello, Beverly Keagle; Troop 4, Dolly Benning; Troop 5, Helen Edwards, Mae Ellen Young; Brownie Pack No. 7, Lorraine Bergstrom, Jean Eliasen, Carol Clarke, Arleen Pool; Brownie Pack No. 8, Jacqueline Frellson, Jacqueline Dallas; Brownie Pack No. 9, Donna Darnell; Brownie Pack No. 10, Marjorie Duncan, Dawn Thornton, Lenore Mejia.

Leaders who assisted were Mrs. Hazel Marsh, Mrs. Sylvia King, Mrs. Marie Pool, Mrs. Hilda Heagney, Mrs. Cecelia Hale, and Mrs. Ruth Rowley.

It's All Up To That Weather Man, Really

Given good weather and a dry field, the baseball games which have been scheduled for Marchbank park for the past several Sundays will finally be played December 3.

At the 11 a. m. contest, Daly City baseball fans will see the Hunter's Point Dolphins go up against Menery's Taxi Service. In the afternoon at 2:30, in a Peninsula Winter league clash, Campi's Tavern meets the Coast Guard.

Expect Victims Of Slashing To Live

All three victims of a tragedy which struck a Daly City home, early Friday morning, November 24, are expected to live. Now recovering at Community hospital is Mrs. Edith Ambrosio, 343 Citrus avenue, who in a state of nervous collapse, slashed herself and two small sons with a razor.

At 6:58 a. m., November 24, Albert Ambrosio, husband of the injured woman, called Daly City police for aid. Officers Roy Beecher and James Welsh found Mrs. Ambrosio lying in the living room in a pool of blood. She had cut her throat, arms, and legs with a razor. In a rear bedroom Ray Ambrosio, 4 1-2, was found with both wrists cut. Six-months-old Dale Ambrosio had been cut on the right wrist. The woman was rushed to Mission Emergency hospital in the Daly City ambulance while the children were taken there in the police car.

Ambrosio had spent the preceding evening at the side of his wife, who was in a state of nervous collapse, but when at 2 a. m. she could not sleep but advised him to go ahead to bed, that everything was all right, he did so. He was awakened by Ray's screams. He had to struggle with his wife to get the razor away from her and called in neighbors to hold her while he summoned aid.

Among other matters requiring police attention in the past few days was a report of a stolen car, November 26. Howard Young, 416 Templeton avenue, advised officers that his 1936 Dodge sedan had been taken from in front of 10 Urbano drive. Local police notified San Francisco officers who recovered the car at Alemany and Junipero Serra boulevards, November 27. November 27 at 7:58 a. m., A. M. Harrison, 6236 Mission street, reported that someone had pulled the wires out of his Chevrolet truck parked in the lot next to 6247 Mission street. Officers Beecher, Welsh, and Chief Bolger investigated.

Club Appeals For Gift Packages

"When you're making up your Christmas list, don't forget the boys at the Daly City Servicemen's club, 6201 Mission street," Mrs. Maisie Boyle and Mrs. Anne Eason reminded local residents today. Small gift packages, gaily wrapped for the Yuletide, may be left at the Daly City Police department, 75 Wellington avenue, just as in the program last year. It was sugested that donors indicate on the package whether it was intended for an Army or a Navy man.

Daly City's response to a request for gifts to be distributed at the service club, last year, was wholehearted and even more than

NEWS OF OUR MEN and WOMEN IN UNIFORM

Friends and relatives of Lieutenant **James English**, Daly City man now in France with the U. S. Army, were thrilled to hear of his overseas activities when they listened to the Ted Malone broadcast from Europe at 7:15 p. m. over Station KGO Monday night, November 27. Advised by telegram to be at their radios were Mr. and Mrs. John J. Fahey sr., uncle and aunt of the lieutenant, and his brother, Thomas Engish, 134 Winchester street.

English has been in the armed forces for three years now, spending one year in Alaska before going to the European theater. His present job, which Malone described in his broadcast, is censoring Christmas packages being sent back to the states by troops in France. He remarked that he may have been nearer to Santa Claus in Alaska but that he preferred France, and of course, Daly City would be better yet!

Technician Third Grade **Jess F. Cook**, brother of Mrs. C. J. Oster, 121 Irvington street, Daly City, will soon be home on furlough from the North African theater of operations, where he served twelve months with the Corps of Engineers. The announcement was made by the Army Service forces at Fort Douglas, Utah.

First Lieutenant **Floyd C. Lawrence jr.**, son of Mr. and Mrs. F. C. Lawrence sr., former Daly City residents now living at Tacoma, Washington, has been awarded an Oak Leaf Custer to the Air Medal at an Eighth Air Force Fighter station in Engand.

The orders announcing the award related that this pilot had earned the decoration "for excep-

Be Sure To Mail Gifts By Dec. 1!

Pubic response to the Post Office department's "Shop Now! Mail in November campaign is good but needs to be better," according to Postmaster General Frank C. Walker.

"Extraordinary wartime conditions face us," Walker said. "Unless more people buy and mail this month the Postal service cannot do its job of delivering all Christmas gifts on time.

"It is not pleasing to us to have to ask the American people to mail packages so far in advance of the delivery date. We do so only because it has to be done. The job is a tremendous one, but we are confident that it will be done because we know from experience that given sound reasons Americans co-operate magnificiently.

"Unprecedented shortages of man power and transportation facilities growing out of the war compel early mailing. The Postal Service has given 50,000 experienced employees to the armed forces and 300,000 railroad workers have gone to war. Equally serious is the fact that rail and other transport facilities are taxed to the limit with the great burden of war traffic which all of us know must take precedence.

"In a great number of our 43,000 post offices the man power situation is critical. The 200,000 extra workers whom we normally recruited to handle the swollen Christmas volume of mail were able to work long hours of overtime and to do heavy work. This cannot be expected from the women and high school boys and girls to whom in large part we must look this year to meet the situation.

"The way in which everyone responded in making it possible for us to handle a volume of 70,000,000 parcels for the armed forces overseas leaves no doubt in my mind that the November Christmas mailing will be equally successful. I ask for the help of the press, radio, business advertisers, civic groups and all Americans in making it possible for the Postal Service to do its work.

"We urge everyone to buy now, mail in November and mark gifts 'Do Not Open Until Christmas.'"

Girl Scout Leaders Association Meets

Mrs. Ethel Saame and Mrs. Betty Eschenauer were appointed at the Monday night, November 27, meeting of the Daly City Girl Scout Leaders' association to attend the December 1 meeting of the Daly City Veteran Firemen's association to find out if the Scouts may use their hall. Other matters of importance discussed included the filing of registration forms for all girls with Mrs. Frances Windhurst, registrar; the type of camping facilities in which local troops are interested, and the sale of calendars which Scouts and Brownies will conduct beginning, Monday, December 4.

The leaders' meeting was called to order by Mrs. Muriele Pabst, president, at 8 p. m. in the home of Mrs. Ada Schultheis, 340 Hillside boulevard. At the close of the monthly conference, Mrs. Schultheis served refreshments.

Army Nurse Works by Kerosene Lantern in Europe

RPB MA-351

Working in an evacuation hospital somewhere in England, Lieutenant Juanita H. Williams of Langley, Oklahoma, finds the mellow light of the familiar old kerosene lantern helpful while she prepares an intravenous injection for one of her patients. Army nurses are helping save the lives of thousands of our wounded and the need is urgent for registered nurses to join the U. S. Army Nurse Corps now

Schedule Dance For Teen-Age Club

Daly City's Teen-Age club will have another of its popular dances, tomorrow evening, December 1, at No. 5 firehouse, Oliver and Bellevue. A good attendance is anticipated, according to Mrs. Maisie Boyle and Mrs. Anne Eason, of the city recreation committee. Hours are 7 to 10 p. m.

Last Friday night, hostesses were Mrs. Hazel Emerson, Mrs. Whorley, and Mrs. Guyton. Turnout was not as large as usual, as there were several other events of interest to teen-agers on the same date.

Honor Mrs. Fisher At Nov. 13 Shower

Mrs. Jerl Fisher, the former Miss Helen Eldridge, 525 Bellevue avenue, was honored at a miscellaneous shower given by her sister, Mrs. Marjorie Passafiume, Monday evening, November 13. A buffet supper was served and a pleasant evening enjoyed. The guest of honor received many beautiful gifts.

Among those present were Mrs. Leo Brandt, Mrs. Olga Bordson, Miss Beatrice Bordson, Mrs. Andrew Anderson, Mrs. Alice Tylenda, Miss Dorothy Goldstein, Miss Dorothy Wall, Mrs. A. Goldstein, Mrs. B. Nolan, Miss Mary Nolan, Mrs. Frank McDermott, Mrs. Elbie Nilsen, Miss L. C. Sable, Mrs. Flora Eldridge.

Funeral Services For Henry Meadows

Henry J. Meadows, a resident of Daly City since 1908, passed away at Community hospital, November 21. Funeral services were held at W. C. Lasswell and company, Friday, November 24; interment at Olivet Memorial park.

Meadows, who was 81, was well-liked and respected in this community. His home was at 57 Knowles avenue. Surviving are his wife, Mrs. Carmen Meadows; his children, Henry, Elwood, Glenvin, and Arnold Meadows, and Mrs. Glennie McCollins. He was a native of Kentucky and had been retired for the past several years.

The war seems to have given the American people a new interest in their railroads. Perhaps it is because they have seen the enormous war load the trains are carrying. Perhaps because so many people, including thousands in uniform, are riding trains for the first time.

As the war in the Pacific steps up, you'll see more and more S. P. locomotives pulling heavier and heavier war loads. In this advertisement, Southern Pacific shows you:

How to tell Locomotives apart

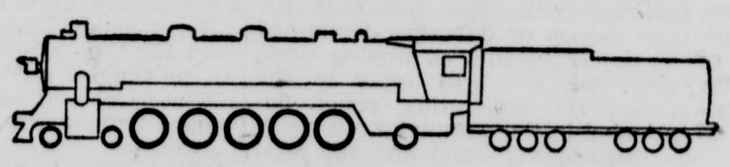

4-8-8-2

This is the "Big Bertha" of locomotives—Southern Pacific's giant Articulated Consolidation. These mammoth engines pull trains over the High Sierra and other western mountain ranges. "4-8-8-2" is an example of the universal "shorthand" used for designating types of locomotives in the United States. It means that there are 4 small wheels under the leading truck, two sets of 8 driving wheels, and 2 small wheels under the trailing truck. To tell locomotives apart, you simply count the wheels, separating the smaller wheels in the front and back from the big wheels that drive the locomotive. The Articulated Consolidation, or "AC", weighs more than 500 tons, with tender, is 125 feet long, and develops 6,000 horsepower.

4-8-4

These locomotives are known as "General Service" type ("GS" for short). They pull the streamlined *Daylights* and the *Lark,* as well as other passenger trains and fast freights. Length of engine and tender is 110 feet, weight more than 400 tons, horsepower 5,500.

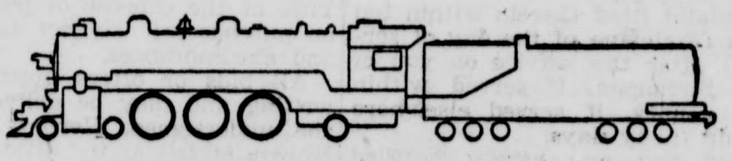

4-10-2

Originally designed by Southern Pacific, these engines are appropriately known as "Southern Pacific" type. They have three cylinders instead of two. Length of engine and tender is 101 feet, weight 368 tons, horsepower 4,100.

4-8-2

These powerful and faithful engines are universally known as the "Mountain" type (designated by "MT" on the cab), used in both freight and passenger service. Length of engine and tender, 97 feet. Weight, 330 tons.

4-6-2

This is another faithful locomotive known throughout the United States as the "Pacific" type (designated by the letter "P" on the cab). Engine and tender are 91 feet long and weigh about 285 tons.

JUNIOR CLASS AT JEFFERSON PLANS PROM

By Verna Moresco

JUNIOR PROM

For the first time in a long time, the junior class is planning to have a prom. The affair will be held at the Jeff auditorium, Friday evening, December 8.

The class is taking complete charge of the prom, including the decorations and expenses.

At the last meeting of the junior class it was decided that the affair be semi-formal.

Tickets for the prom will be on sale the early part of December, and can be obtained from any junior.

President of the junior class is Philip Morales.

ART CLUB

The total membership to date for the Jefferson Art Club is six. They include Virginia Bhend, Merilyn Huber, Esther Hukari, Franklin Hukari, Betty Pistohl, and Art Roberts.

The club plans to meet every Tuesday morning at 7:45 in Room 6.

Future plans for the Art club will be to make visits to places that would be of value to the members and also to put up displays in the hall.

Faculty adviser for the club is Earle Lewis.

$2.50 Please!

On Tuesday of this week measurements for senior sweaters were taken during both lunch periods. A deposit of $2.50 was required at the time of measurement.

GUEST ARTIST

Anne Ashley, colortura soprano, will make a guest appearance at Jefferson. The program is scheduled for Tuesday, December 5, at 1 p. m.

Miss Ashley will do a few selections in costume.

SPEAKER

Tuesday, November 20, Jeff's guest speaker was Mrs. Muriel Tsvetkoff of the San Francisco Better Business Bureau.

She gave both an educational and interesting talk with her stories of the problems that the Better Business Bureau has to deal with in its effort to protect the public.

THERE'S STILL TIME!

The drive for old clothes, which started Thursday, November 17, and ends December 1, is still on which leaves time for you to bring any old cothes that you might have lying around doing nothing. There is only one thing to remember—they must be clean!

Chairman for the drive, Dan Shannon urges all to bring what they can to make the drive a success. The clothes will be turned over to an organization that will distribute them to reconquered countries such as France and the Philippines.

EXCHANGE ASSEMBLIES

Climbing into anything that would take them to South City, members of the Indians of Rhythm, stage, crew, and yell leaders, went to South City Wednesday, November 22, to present an assembly at 10:30. The band presented a 45-minute program of jive and sweet tunes and the yell leaders gave yells.

At 1 o'clock the same day South City presented their assembly at Jeff. Present for the assembly was the South City orchestra, a tap dancer, and a saxophone quintet.

TRIBUTE

Jefferson was saddened by news of the death of Bill Ekers, who left school in June, '43, as a low senior to join the Navy.

Word came that he had given his life in the battle of the Philippines.

While at Jefferson, Bill was a star football and basketball player who won his block and two stars.

The sympathy of the entire school goes to his parents.

Story Of Carrier Now At Daly City

Scenes of battle never before shown in a Hollywood film will be revealed in "Wing And a Prayer—The Story of Carrier X," the new 20th Century-Fox epic opening tonight at the Daly City theater.

Among the "firsts" showing in the picture in which Don Ameche, Dana Andrews and William Eythe are starred is a sequence of a plane crashing off the bow of an aircraft carrier during a take-off, and plunging into the sea. Another shot is that of a plane crashing through the barrier after missing the landing wire.

The action-packed film tells the story of an aircraft carrier and its crew who were marked as expendable in the fight against the Japs, and came through to win sweet revenge in the smashing victory at Midway. Lieutenant-Commander R. L. Middleton, USN, was assigned to the production of the film to insure strict authenticity throughout.

Studebaker Passes Two Milestones

Two milestones in the volume production of war goods were celebrated by the Studebaker corporation recently.

At brief factory ceremonies, Army Ordnance and Air Forces representatives respectively accepted delivery on the 150,000th multiple-drive, heavy-duty truck and the 50,000th Flying Fortress engine.

In addition to this materiel, Studebaker manufactures the Weasel, a new military carrier on which production figures are still secret.

Both Colonel Nelson S. Talbot, head of the Midcentral Procurement district of the Air Technical Service command, and Colonel John Slezak, chief of the Chicago Ordnance district, attended the event to pay high tribute to the company's accomplishments.

TROOP NO. 5

At their Tuesday meeting, this week, members of Girl Scout Troop No. 5 turned in the Christmas card folders they have made for distribution to servicemen. They are currently making Christmas tree ornaments for the Red Cross and for their own tree at No. 5 firehouse.

Helen Edwards and Mae Ellen Young served at the bond booth in the Daly City theatre, Friday evening, in connection with the Sixth War Loan drive and the Scouts' week at the sales booth.

NEW BABIES

Receiving congratulations upon the birth of new babies have been: **Mr. and Mrs. Frank Gucwa,** Daly City, whose daughter arrived, November 8; **Mr. and Mrs. Carl B. Bearden,** 6825 Mission street, a daughter, November 14; **Mr. and Mrs. Fred Bruch,** 132 Irvington street, a daughter, November 8.

Exciting War Film at Daly City Theatre

Pay-off in the Pacific! The screen's first great drama of our carrier force in action, 20th Century-Fox's "Wing And a Prayer—The Story of Carrier X," opens tonight at the Daly City Theatre. Featuring Don Ameche, Dana Andrews, William Eythe and Charles Bickford, the film tells the amazing story of America's phantom flattop of the Pacific, and the men who gave her living, fighting fame and glory.

Excellent Crowd Attends Colma Fair

Father James Sorasio reports that there was an excellent crowd in attendance for the fair and entertainment given for the benefit of Holy Angels church, Colma, Saturday evening, November 18. Final count on proceeds from the gala event provided reason for enthusiasm among all who have been working hard to increase the church's building fund.

The play given for the entertainment of the large number who thronged to see the various booths was directed by Miss Mary Belli.

The parish thanked the public for its fine support of this festival.

To Hold Bazaar At School Sunday

Members of the Mothers Club of Our Lady of Perpetual Help School remind the public that their annual Christmas bazaar will be held at the school grounds, 60 Wellington avenue, Sunday, December 3. Proceeds will be used for the benefit of the club.

Breakfast will be served immediately following the 6:30 a. m. mass and refreshments will be on sale all day. There will be a number of interesting booths and the club says patrons will find it a good place to purchase Christmas gifts.

Jeff Wins Game Thanksgiving Day

Honors in two sports came to Jefferson Union high school, last week.

Tuesday, November 22, by winning their game against the South San Francisco basketball team, the Purple and Gold 20s earned a Northern division championship. During the first half neither team looked very impressive but in the second half the pace quickened. In the third quarter Don Decker dumped three baskets for Jeff and Pete Reece, star forward for South City, duplicated the feat. Then Jeff got a foul shot and another long shot and with minutes to go intercepted a pass and made good another one, which brought the score at the colse of the game to 27 for Jeff and 22 for South City.

Football fans of Daly City and South San Francisco as well as the students from both schools thronged to Jeff's field, Thanksgiving day, for the annual game which decides who gets the plaque for the next year. Jefferson won, 7 to 0. The score was made in the third quarter.

The coveted plaque will be presented by South City at an assembly program in Jefferson high school auditorium. Last year, South San Francisco won. Daly City's football coach is Marion Hall.

Install Frozen Food Lockers Here

The Daly City area is to have a frozen food locker service. This novel type of food preservation and storage has been offered in only a few Northern California communities and is expected to meet with a wide popularity. Known as the Mission Food Lockers, the plant is in the building at 60 Station avenue, formerly occupied by the Mission Ice company. Under the supervision of the Thermal Insulation company it is being converted into a modern quick-freeze and frozen food locker service.

Fruits, vegetables, and berries may be harvested from Victory gardens or procured fresh and at the peak of delicious ripeness and lowest cost from the producers, brought to the pant, processed by simple methods which do not detract from their flavor or freshness and packaged in vapor proof containers. They are then quick-frozen and stored in individual lockers for enjoyment throughout off seasons.

"You may now have corn on the cob and fresh frozen strawberries at Christmas time," the management said.

Meats, fish, poultry and game may also be preserved in this manner.

The Daly City pant will be managed by William P. Kerby, San Francisco, who has just been honorably discharged from the Army. He looks forward to the new enterprise, which will employ from six to eight people, due to the enthusiastic reception of this service by local residents. Many have already visited the plant and nearly two hundred reservations for locker rentals have been made, although the actual opening is not expected before December 10 or 15. Many of these patrons are families who have enjoyed the use of this kind of service in other communities.

Brownie Scouts Make Party Plans

Main topic of conversation with members of Brownie Scouts No. 7 is their Christmas party to be held the afternoon of December 20 at No. 5 firehouse, Oliver and Bellevue.

Mrs. Marie Pool, leader, announces that the following Brownies from No. 7 assisted at the Bond booth in the Daly City theatre during the first week of the Sixth War Loan drive: Carol Clarke, Jean Eliasen, Lorraine Bergstrom, and Arleen Pool.

American Legion Asks For Christmas Gifts

Daly City Post No. 410, American Legion, is conducting a drive for Christmas presents to send to servicemen. Serving as a local depot where packages for this purpose may be left is Daly City Coffee shop, 6339 Mission street.

Chairman for the Legion project is John Derungs. The collection was initiated by the Eddie Cantor radio program.

6th WAR LOAN

THE young man in this picture obviously is an extreme example. Our Government certainly does not expect any of us to go that far in restricting our buying—even to put the 6th War Loan over the top.

But our fighting forces certainly will feel that their sacrifices are appreciated if we deny ourselves some things and put the money into extra War Bonds instead.

Remember, War Bonds pay off at maturity at the rate of $4 for every $3 invested. Try to buy at least one extra $100 B[illegible] while this 6th War Loan Drive is on.

News From Jeff District Schools

AT WOODROW

The high four pupils in Room 1 celebrated the coming of Thanksgiving by the correlation of their art, music, social studies and language in carrying out the theme of the first Thanksgiving in America.

In Room 8 pupils are still enjoying many books brought to school for the library.

The sixth grade is looking up for reference work the beginnings of steam-driven ships. They are studying and learning how the paddle wheels and later the screw propeller increased the speed of the ships.

The boys and girls of Room 12 had fun writing invitations for a Thanksgiving dinner to all their friends that would like to have a share in their turkey on Thanksgiving.

Room 14 has another cocoon. Pupils are making a seating arrangement for the instruments in the symphony orchestra. They like to listen to the different instruments play.

The children of the fifth grade have been finding material on wool-bearing animals. They are learning the use of various references and that animals other than the sheep give wool.

AT CROCKER

The pupils of Room 2 welcomed Rolland Chase to their class last week. Rolland formerly attended Woodrow Wilson school.

Last week the students of Room 3 welcomed a new student to their class. He is Edward Chase, who transferred from Woodrow Wilson.

Room 4 lost another pupil, this week. Sheila Mentzer has gone to live with her grandmother in San Francisco.

The pupils of Room 4 also were very happy to welcome Donald Sheridan to the school. He transferred from Woodrow Wilson.

AT JEFFERSON

This week, a group of the Jefferson boys assisted in the distribution of Sixth War Loan posters to business houses in Colma business district. The boys who gave this patriotic service after their school hours were: Bobby Hummel, Bob Donnelly, Mario Stanghellini, Louis Merlo, John Olcese, and Angelo Gianni.

In connection with their current events period, this week, the seventh grade studied the physical aspects of the Philippine islands, and the vital part they play in Pacific War plans. After a careful study of their maps, they got a clearer idea about the strategic value of the landing upon Leyte by American troops under General MacArthur, and the enormous difficulty of the job that lies before them.

Claget Shulda announced with great pride to his sixth grade classmates that his dog, Rex, is now in the Navy. Rex met all required government specifications and was accepted by the Marines. After the Thanksgiving holiday, the fifth grade will commence their communications unit. The fifth grade children have made some very original spatter print cards in leaf design. These were to be used as place cards at their home Thanksgiving dinners.

Colma P. T. A.

Mrs. Ruth Rowley, president, will call the regular monthly business meeting of Colma P. T. A. to order at 2 p. m. in Jefferson annex, Tuesday, December 5.

No special speaker has been scheduled and the president said the meeting would be a routine business session.

Cranberry "Perk-Up" Tricks

By BETTY BARCLAY

Tender, flavorful homemade baked beans is a low point, war-wise main dish welcome on any table at any time. And equally welcome are tangy, fresh cranberries made into a raw or cooked relish and served to compliment the beans. Spicy Cranberry Sauce, Cranberry Pear Ginger Sauce and Cranberry Vita Relish are all in order with this popular dish. Try them one at a time, or, if you are feeling lavish, try them all at once; either way there will be none left over.

Cranberry Fruit Sauce

2 cups sugar
1¼ cups water
4 cups fresh cranberries
2 peeled apples, sliced thin
1 2-inch stick cinnamon
Grated rind 1 orange
Grated rind 1 lemon

Combine sugar and water, bring to boiling point and add remaining ingredients. Cook slowly, without stirring, until cranberry skins pop open and apple slices are clear — 10 to 15 minutes. Cool sauce in cooking dish. Makes 1 quart sauce.

Cranberry Pear Ginger Sauce

2 cups sugar
2 cups water
Root ginger
2 winter pears, peeled and diced
4 cups fresh cranberries
Grated rind 1 lemon

Boil sugar, water and small piece of ginger root together 5 minutes. Remove ginger. Add diced pears; cook gently for 3 minutes. Add cranberries and continue cooking without stirring until all the skins pop open. Cool in sauce pan. Just before serving, sprinkle with grated lemon peel.

Cranberry-Vita Relish

4 cups fresh cranberries
2 apples, peeled and quartered
1 lemon, quartered
2 carrots peeled
½ cup diced celery
1½ cups sugar
¼ teaspoon salt

Put cranberries, apples, lemon and carrots through food chopper. Combine with celery, sugar, salt, and blend. Chill to serve. Makes 1¼ quarts relish.

Spicy Cranberry Sauce

2 cups water
1 piece stick cinnamon
½ teaspoon whole cloves
Juice of ½ lemon
4 cups fresh cranberries
2 cups sugar

Combine water, spices and lemon juice and bring to boil. Add cranberries, cook until all the skins pop open. Strain, add sugar and blend. Cook rapidly for 2-3 minutes. Cool before serving. Makes 1 quart.

Quick Cranberry Tricks To "Perk-Up" Rationed Meals

1. The spiciness of ginger . . . the suaveness of pear . . . Cranberry Pear Ginger Sauce . . . just right with tiny link sausages and corn pudding.
2. Cottage cheese and Cranberry-Vita Relish make a refreshing salad . . . serve with cold meat and cheese platter . . . pass extra Relish.
3. Quick shortcake treat . . . make biscuits . . . split and butter while hot . . . cover with plenty of Cranberry Fruit Sauce . . . Serve warm with extra sauce.
4. Extra quick . . . extra good . . . pour hot Cranberry Pear Ginger Sauce in shallow pan . . . pat over rich biscuit dough . . bake until crusty brown . . . serve in squares with thin cream.

Pershing Unit Invites Speakers

General Pershing P. T. A. will have two guest speakers at its regular unit meeting, Tuesday, December 5. Edward J. Foley, manager of the San Mateo office of the Social Security Board, will discuss various phases of the Social Security act. Mrs. Ida Hanley will make a report on a recent conference on Safety.

The demonstration will be given by Mrs. Lola Cope's class.

Plans for the children's Christmas party will be made during the business meeting, which will be opened at 1:30 p. m. by Mrs. Louise Eliasen, president. Mrs. Janet Delucchi has been named chairman for the event.

The unit's rag drive begins, December 1, and cooperation of the parents will be appreciated. Children will take home bags in which to put the rags or articles of clothing.

High School PTA Announces Whist

Three events in one day are scheduled by Jefferson Union High School P. T. A. for Thursday, December 7. At 11 a. m. the executive board will hold a Christmas party, followed by a luncheon meeting. Then at 2 p. m. a public whist party will be sponsored. All events will take place at the home of Mrs. Catherine Foreman, 35 Woodrow street. Co-chairman is Mrs. Mary Crane.

The card party will be a handmade dish towel whist. The public is cordially invited to attend the 2 p. m. whist.

JOINT PARTY

Brownie Pack No. 8 and Brownie Pack No. 9 will combine their Christmas party. Date is set for Monday afternoon, December 18, at Mission and Theta. Mrs. Hilda Heagney and Mrs. Betty Eschenauer, leaders of the two groups of girls, are making exciting plans for the Yuletide event.

One of the highlights of the day will be a Christmas present "grab bag."

Woodrow Gives Tea For Teachers, Mothers At Meet

Woodrow Wilson P. T. A. held its Mothers' and Teachers' Tea, Tuesday afternoon, November 21, at Woodrow Wilson school. The meeting was called to order at 2 p. m. by Mrs. Elsie Hesselein, president.

Miss Brewer of the Red Cross Blood Donor Service was introduced by Mrs. Hilda Heagney. She gave a very interesting talk on the part civilians can play in winning this war by donating their blood. Members of the unit planning to act as donors were advised that reservations could be made with Mrs. Ruth Morris, DElaware 6435. Transportation is furnished to and from San Mateo.

Mrs. Betty Eschenauer introduced Mrs. Darnell, the new sewing and sunshine chairman, who was appointed at the last board meeting to take her place.

Mrs. Ada Schultheis, War Bond and Stamp chairman, announced that the school War Bond drive will be held, December 4, 5 and 6. She would like volunteers to assist with this campaign.

Mrs. Eschenauer gave a report on the October district meeting and Mrs. Hazel Marsh on the November district meeting.

The unit made a donation of $5 to the Christmas Seal drive of the Tuberculosis association.

Members of the unit expressed their appreciation to R. L. Crane jr., district superintendent, who constructed a handy kitchen unit for them in the meeting room. He also presented them with two lovely serving trays.

After the meeting, the hospitality hostesses and their committee served delicious refreshments. The tables were beautifully decorated in Thanksgiving colors. More than fifty were served.

"Tars And Spars" Now At Warfield

Direct from the invasions of Africa, Sicily, and Salerno, the famous Coast Guard Invaders orchestra, formerly aboard the U.S.S. SAMUEL CHASE, a Coast Guard manned assault transport, arrived in San Francisco to appear with the Coast Guard show, "Tars and Spars" at the Warfield theater for seven days beginning November 28. The all-Coast Guard cast of 70 is headed by Chief Boatswain's Mate Victor Mature who recently returned from 14 months' active convoy duty.

Members of the band, who were on board the U.S.S. CHASE manned everything from invasion craft to anti-aircraft guns aboard and ashore during the three Mediterranean invasions. Organized aboard the "Lucky Chase" over a year ago, the band was a spare-time activity of the men to provide entertainment for their shipmates and the troops aboard and for American and Allied armies overseas.

The smash Coast Guard musical revue can be seen by all young women eligible for the SPARS without charge.

All women between the ages of 20 and 36 who fall into the eligibility class for the SPARS can obtain free tickets to the showing of "TARS AND SPARS," in San Francisco by calling at the SPARS Recruiting office, 46 Geary street, between the hours of 8:30 a.m. to 5 p.m. every day.

This will be the only appearance of "Tars and Spars," as a live stage revue in San Francisco as the show is headed for Hollywood for a technicolor filming of this unusual stage production.

CARGO HANDLERS VITAL TO AIR TRANSPORTATION

Airline reveals urgent need for men to keep war materials flying

To keep important war cargoes flying on schedule to all parts of the nation and to war zones, a greater number of cargo handlers are needed at the San Francisco Airport today than ever before. reports United Air Lines.

Cargo on planes today is as important, if not more important, than passengers.

The job, for which men are urgently needed, is that of loading and unloading air express, mail, and other cargo. It is not routine or monotonous, because the arrival and departure of every plane offers new experiences.

Working conditions are pleasant at United Air Lines. You have a group of fine fellows helping you, and the crew chiefs, who will train you, are cooperative and understanding.

Transportation to the S. F. Airport is convenient—buses stop at the gate of United Air Lines. And the airline recently opened a new and modern cafeteria for its employees. Employee benefits include vacations with pay, insurance, periodic wage review, and a retirement plan.

Plan today to help out in this vital cargo work. Apply at United Air Lines, San Francisco Airport, Bayshore Blvd. at San Bruno Ave., or 421 Powell Street, San Francisco.

READING & WRITING

BY *Edwin Seaver* AND *Robin McKown*

You often find Americans writing historical novels about England, but it's rare to find an Englishman writing a novel about pioneer America. One who has done just that and made a success of it is Herbert Best, whose novel, "Young 'Un," is a Book-of-the-Month Club selection for November.

HERBERT BEST

"Young 'Un" is a story of life in upper New York State, about a century and a half ago. It begins dramatically when Old Man Post drives his oxen back to his home, to find that his cabin has burned down and that his wife has perished in the flames. Old Man Post has never been much of one for settling down. When this happens, he goes off to the North woods, leaving his three children to fend for themselves. The rest of the book tells how they made out.

The three children are Eldest, whose real name was Elvira and who was seventeen; Dan'l, a stalwart lad not given much to words, and Young 'Un, this story's heroine. In his characterization of her, the author paints an endearing picture of a young girl on the verge of womanhood, torn between her curiosity of what it would be like to be grown up and wear a long rose gown, and her very natural pride in her tomboy prowess.

When the father finally returned, it was Young 'Un's feminine intuition that prompted her to send him back to the woods; she knew he wouldn't ever be happy as a farmer. But that decision nearly spelt tragedy for her. For Young 'Un was in love then, but she knew that Dan'l needed her on the farm, and the land had to come first. Fortunately a way is found out of these difficulties, and the story has a happy ending.

* * *

Herbert Best, author of "Young 'Un," has had an interesting career. A veteran of the last war, he was subsequently for several years District Officer in Nigeria. He met his American wife, an artist, Erick Berry, when he was on leave in London, and married her on his next leave, in New York. Since then, she has been his collaborator in a number of boys' books about Africa. They have had all kinds of working conditions, says Mrs. Best: "In a bush house in Africa during the tornado season; on a tiny orange-frighter, waddling with a dangerous list to port, up the coast of Turkey; shivering before a seven-feet-wide fireplace in an ancient stone house in Devon." They now live on a farm overlooking the wooded hills and the headwaters of Lake Champlain, the very site which Mr. Best chose for his novel.

CITIES SHARE IN FEES

California cities and counties are about to share $2,311,923.87, representing half of the alcoholic beverage license fees for the first six months of 1944, according to an announcement made here today by George R. Reilly, member of the State Board of Equalization for the First district.

Of this sum, shared on the basis of the location of licensed premises, $49,508.12 will be distributed in San Mateo county, where $3,782.50 will go to Daly City and $20,650.62 to the unincorporated area in the county.

"Current allocations," said Reilly, "will bring the cities' and counties' share of state license fees to $27,950,859.08 since repeal of prohibition in 1933. This revenue has been collected and distributed by the State Board of Equalization at no cost to local governments. After deducting administrative expense, the remainder of the fee proceeds goes to the State General Fund."

DRAFT CALLS

Mrs. Isabele Flynn, chief clerk at Daly City Draft Board No. 103, has received the requests of the armed forces for next month. There is an induction call for three men for December 16 while 33 will take pre-induction physical examinations, December 23.

Mrs. Flynn reports that the work of classifying all men over 38 under the jurisdiction of the board into 4-A continues.

Men! Hook on to this top priority job!

Railroading . . . locomotives . . . flat cars . . . war trains rolling . . . action for active men—that's what this job is all about. That's why this job is no dull, cut-and-dried routine. That's why men with red blood take to it. And why you may want it. This is the job of Switchman with Southern Pacific—a job we train you for in a few days. Switching cars loaded with war materials . . . keeping 'em humping . . . working with an engine crew in the yards or terminals . . . working with real railroaders . . . helping America roll to victory. (And that's no flowery statement!) Fine wages: About $220 base, plus chance for overtime. Plenty of work . . . because S. P.'s biggest job begins when Germany is finished. A job with one of America's biggest companies. Here's your chance. Look into it! Men also wanted to train for Brakemen at similar pay.

Big Business

A LOT of the writing and talking that's going on these days about "big" business seems to miss one pretty important point. In judging bigness solely by such things as number of employees, size of payrolls, or volume of sales, it overlooks the size of the job the particular business is required to do.

After all, any business exists because there's a demand for the things it produces or the services it renders. And it must either grow to the size necessary to satisfy these demands, or else make way for a competitor that *can* provide what is wanted.

The war has shown that America's factories and farms can meet demands that would have been fantastic in pre-war years. This is a big country; there will be as big jobs to be done in peacetime as any the war produced. It will take the right kind of "big" business to do them. And whether it operates a 100-acre farm, a garage, a bank, or an industry with 100,000 employees—this kind of big business, which serves the public satisfactorily and with integrity, will continue to be the foundation of America's strength and security, in peace as in war. *General Electric Co., Schenectady, N. Y.*

property described as tax deeded lands.

Attorney Hoffman advised the council by letter that in his opinion a siren and red light could not be installed on the privately owned chief marshal's car without special permit from the director of the Department of Motor Vehicles.

The city received word from the State Compensation Insurance Fund that it had earned a reduced basic rate, meaning a 21 per cent saving to the city.

Upon the motion of Councilman Howard McHugh the council unanimously passed Resolution No. 859, declaring El Camino real inadequate to handle traffic as it will exist in the immediate postwar era and asking that the California Highway Commission and the Division of Public Works include the widening of El Camino in their immediate plans. The city clerk was instructed to send a certified copy of the resolution to Earl Wilsey, city manager of the City of Hillsborough.

Councilman McHugh reported on the Peninsula division, League of California Municipalities, meeting held at Atherton, recently. Public health was discussed in detail at the session and diseases to be expected in the period following the war.

McHugh, who had been asked to study a request of the Veterans Employment and Information Council of North San Mateo County for $75 toward its operating expenses, advised that the request not be granted because it wouldn't be legal to appropriate funds to a private organization. He said the city attorney had ruled that the city couldn't make such a donation. The city clerk was asked to advise the group of its decision.

Councilman Edward Dennis reported that the bulkhead had been completed at Marchbank park, affording protection from cars to the playground at the upper end of the park.

A motion, made by Councilman Dennis and unanimously passed. empowered Mayor Gaggero to purchase $10,000 in Certificates of Indebtedness. The mayor said he would see that the Daly City Sixth War Loan drive received credit for the December 1 purchase.

Councilman Dennis made a motion, passed unanimously, that Councilman Meritt be extended another 30-day leave of absence. Meritt was called north on essential war work in August, 1944.

Julius Castelan, among Monday night's spectators, introduced delegates from the Spanish-American group in the community. He also asked what had become of Civil Service rules and regulations supposedly ready for adoption nearly seven months ago. George Kirchhubel, another spectator, inquired about several of the policemen's salaries when the claims were read.

Dennis made the motion that a warrant be drawn and the claims paid and McHugh made the motion for adjournment.

Chief Andrew P. Chesney, fire department, was the only other member of the official family present in addition to those mentioned in the story.

Court St. Mary Issues Invitation

An invitation has been extended by Court St. Mary No. 1155, C. D. A., for the public to attend its whist party, Thursday evening, December 7. Playing begins at 8:30 p. m. in Masonic hall, 17 Hillcrest drive. A brief business meeting for members will precede the card party. It starts at 7:30 p. m.

At the court's last meeting, November 16, plans were made for the annual Christmas party to be held, Thursday evening, December 21. Co-chairmen for this pleasant occasion will be Mrs. Virginia Rengstorff and Mrs. Katherine McDermott.

Native Daughters To Hold Election

El Carmelo Parlor No. 181, N. D. G. W., will hold election of officers, Wednesday evening, December 6, at Masonic hall, 17 Hillcrest drive. The business session will be called to order at 8:15 p. m. and all members are urged to be present.

The dinner which the parlor sponsored, November 15, under the chairmanship of Miss Marge Steele proved very successful, the group reports.

Parlor members are cooperating in the Sixth War Loan drive and join in urging all local residents to buy extra bonds during the campaign.

Foresters Schedule Whist For December 5

Tuesday evening, December 5, the public is invited to attend a whist party at Linhares Social hall, 176 Los Banos avenue. Sponsors of the card party are members of Vista Grande Circle No. 253, Foresters.

Playing will start at 8:30 p. m.

At the November 21 meeting of the Foresters, Grand Officer Mrs. Florence Griffith and her staff made their official visit.

FALSE ALARM

Companies 1, 2, and 4, Daly City Fire department, answered an alarm from Box 17, Mission and Wilson streets, November 22 at 4:30 p. m. It was a false one. Chief Andrew P. Chesney, Assistant Chief Arthur Bodien, and Battalion Chief Kennedy also reported.

Not even a false alarm marred Thanksgiving Day for the local firemen.

In planning your home of tomorrow make sure that the wiring will be adequate to take care of the many new appliances you will be using.

The new appliances in your postwar home will be your hard-working servants. They will need the full power of electricity in order to work efficiently and economically. If, however, your home is inadequately wired, these appliances may become "jammed up" at convenience outlets. This drops voltage and your appliances work longer with half-hearted energy and thereby cost more to operate.

Plan each room in your postwar home for adequate wiring. That means plenty of convenience outlets, switches and circuits with big enough wire size.

Discuss wiring completely with your architect, your electrical contractor or the wiring experts of this company. The difference in cost between cheap "skimpy" wiring and adequate wiring is very little. Adequate Wiring will repay you with lower appliance operating cost, more convenience and comfort and help eliminate the inconvenience of blown fuses and dimming light due to overloaded circuits.

ADVANCE TELEPHONE COMPANIES PROGRAMS

A joint committee of representatives of Bell and independent operating telephone companies throughout the United States has been formed to advance the nation-wide postwar programs which the various telephone companies have been working on individually to extend and improve farm telephone service, it was announced today by Lyle M. Brown, telephone company manager.

Co-chairmen of the committee are John P. Boylan, president of the United States Independent Telephone association, the national organization of the thousands of independent telephone companies, and Keith S. McHugh, vice-president of the American Telephone and Telegraph company, representing the Bell operating companies.

"Rural telephone service is more highly developed in this country, under the American system of private enterprise, than in any other country in the world," Boylan and McHugh said today in a statement issued by them for the committee. "However, it is by no means as highly developed as we in the industry want to see it, and the industry intends to do everything in its power to provide more service, and better service, at a cost which the farmer can afford.

"Since operating telephone companies throughout the whole country have been working on this problem, a representative joint committee has been formed consisting of a number of their most experienced officials. We believe that the application of new facilities and methods which were under development by the industry before the demands of war interrupted our research and construction program will help to bring telephone service to many new farm customers. As soon as war demands are reduced, we propose to resume and expand our research effort and, along with it, the intensive program for extending farm service which was being carried on before the outbreak of hostilities."

PAY ROLL TAX

Senator Vandenburg of Michigan is again leading the fight to freeze the social security pay roll tax at its present level of one per cent each on employer and employee. Unless he is successful, the rate will increase automatically to two per cent each on January 1, 1945.

Present pay roll tax collections are sufficient to cover current disbursements, and it is estimated that the six billion dollar reserve which has been accumulated as a credit will not have to be touched for 20 years and possibly never.

In view of this, Congress should hold the tax at its present figure, at least until it can make a further study of the old-age plan. Some observers believe that the existing rate will be adequate indefinitely.

Workers who retire will not receive larger pensions if the tax rate is raised. The increase will simply mean that both employer and employee will pay double the present tax without any corresponding benefit.

Of course, the more money taken from pay envelopes and from employers, the more the government will have on hand to spend since all social security payments are used for current Federal expenses. But our pension plan was not intended to be used merely as a money-raising scheme.

During the recent political campaign both parties promised lower taxes to individuals and business as soon as possible. It would be ironic indeed if, instead, the pay roll tax should now be increased unnecessarily.

"UNITED WE STAND . . ."

One of the paradoxes of this war is that our troops are fighting on foreign battlefields to keep alive the flame of democracy while here at home we indulge in, or permit, undemocratic treatment of minorities.

Dr. Stuart Cole, New York director of inter-cultural education, declared recently in San Francisco that prejudice against minorities is now more widespread in the United States than at any time since the Civil War.

War invariably stirs deep emotions. But we must not allow these emotional upheavals to find expression in abuse of our neighbor citizens whose race, color or creed differs from ours. After the first World War a wave of persecution and intolerance swept over minorities in our country—a wave generated by unthinking segments of our population through secret societies. That must not be permitted to happen again.

The American way of life cannot survive if we claim its benefits for ourselves but seek to deny them to our neighbors. Hitler proved one thing in his persecution of the Jews, namely, that any nation which allows intolerance and persecution to run unchecked is heading toward moral bankruptcy and eventual disintegration.

America will face trying economic problems after this war. If we meet them as a united nation they will be solved, and this land of ours will continue as one of the greatest societies in history. But if our efforts are stunted through conflicts born of prejudice of race, class or creed, we will fail.

"United we stand, divided we fall," is not just a slogan—it is a fact!

FOLLOW THROUGH

The Sixth War Loan campaign got off to a good start. On the opening day approximately one-sixth of the "E" Bond quota was subscribed.

In California, Delano in Kern county was the first community in the State to go "over the top." Its 4,500 citizens accounted for $300,000 on the first day.

But a good start is just one phase of the drive. It must be followed through vigorously if it is to be a complete success.

Some individuals may feel that they have already done their "share" in previous bond campaigns, or that in buying a small bond now they are fulfilling their obligation.

To the man at the front his "share" may be his life, but he doesn't quibble about it. If he has already accounted for a good many Japs or Jerries, or knocked out a number of tanks, he doesn't feel that there is nothing more for him to do.

California's quota of $836 million will be attained quickly if we all buy—and hold—all the War Bonds we possibly can. So buy more bonds. Your nearest bank will accommodate you gladly.

Your dollars will help to replace that plane or landing barge which was smashed in today's action. Keep the equipment rolling to our soldiers and they'll keep moving ahead.

Few Salient Facts About Shortage

Are the smokers in your family huffy because the cigarette shortage is making them puff-less? If so, here are a few salient facts which may serve to soothe ruffled nerves and perhaps improve their dispositions. First of all, OPA has announced that rationing of cigarettes is not contemplated. OPA and WFA agree that this would be completely impractical. The present shortage in some areas is due in part to shipments of large quantities — especially the better known brands — to American soldiers and sailors overseas. Then too more people are smoking more cigarettes under strain of wartime conditions. Hoarding is another contributing factor. You can do your part to help ease the situation by buying only for your current needs.

DON'T BE A SPARE—BE A SPAR!

6 good ways to use vegetables now available

Parsnip-Carrot Casserole—Put 2 cups each of peeled and sliced parsnips and carrots in alternate layers in a well-greased 2-qt casserole Sprinkle with 3 tbsps. flour, 1½ tsps. salt, ½ tsp pepper; add 2 cups milk; dot with 2 tbsps. butter or margarine. Bake in moderate oven (400° F.) about one hour or until tender and well browned Serves 6

Acorn (Danish) Squash, Baked Whole — Put whole squash in oven, and bake at moderate temperature (375° F.) about one hour or until done, depending on size. Cut in two just before serving, dab butter or margarine in each half, and sprinkle with a little brown sugar and salt mixed together, or with salt and pepper, and return to oven for a few minutes

Or Stuffed—Stuff halved raw Acorn (Danish) Squash with hash or Spanish rice or sausage mixture. Bake in moderate oven (375° F.) about 50 minutes or until squash is tender

Mashed Rutabagas (Yellow Turnips) and Potatoes—Pare and cut rutabagas lengthwise in halves or quarters, or dice them. Cook, covered, in just enough boiling water to keep them covered, until tender (about 20 to 30 minutes). Drain; season with salt and pepper, cream or milk, and butter or margarine. Mash and combine with equal amount of mashed potatoes

Baked Pumpkin—(Incidentally, winter squash is interchangeable with pumpkin in this and many other dishes) Cut pumpkin into pieces suitable for serving. Remove seeds, but do not peel. Place in single layer in large shallow baking dish, and bake in moderate oven (400° F.) about one hour or until tender Season with salt, pepper, sugar, and butter or margarine. Serve on shell, or scoop out, mash, season, and serve

Rutabagas (Yellow Turnips) Au Gratin—Combine 4 cups of diced cooked rutabagas with 2 cups medium white sauce, adding ½ cup grated American cheese, and seasonings to taste. Place in well-greased casserole; sprinkle top with a little additional cheese; bake in hot oven (450° F.) about 20 minutes, or until cheese is melted and rutabagas are thoroughly heated.

INCREASED BENEFITS AVAILABLE TO WORKERS PAST 65

Edward J. Foley, manager of the San Mateo office of the Social Security board, today explained the effect of the board's announcement that upon request it will recalculate the amount of old-age and survivors insurance benefits available to once-retired workers to include credit for wages received since the benefits were first claimed.

"This action," he said, "is intended to take into account the fact that many workers past the age of 65, who have retired and drawn benefits, have gone back to work since the country started its preparation for war. Originally, these workers by filing a claim set their benefits so that they could not be moved up or down. But they returned to work unexpectedly, and generally have received higher wages than before. The board has therefore announced that, in order to meet the intent of the law, their benefits may be recomputed in order to credit towards monthly retirement benefits the wages they received after they had once filed a claim."

A number of workers in San Mateo county, who are past age 65 and have received some benefits under social security have had their payments suspended and probably will benefit from the board's decision, Foley said.

To prevent confusion or misunderstanding, he issued the following cautions:

(1) Increased benefits will be available only to workers 65 or older who have claimed benefits and who subsequently have worked in jobs covered by the Social Security Act, and, generally, at higher pay than their former average monthly wage. The benefit amounts of widows, orphans or aged parents whose benefits were based on wages up to the time of an insured worker's death cannot be changed.

(2) Benefits will be recalculated upon request of beneficiary.

(3) The announcement does not mean that any person may receive benefits while working in jobs covered by the law. The law provides that benefits must be suspended for any month in which the beneficiary makes more than $14.99 on a covered job.

(4) There is no need for anybody who has been working in covered employment after he filed a claim to ask for a recomputation of his benefits as long as his pay stays as high as his average monthly wage between January 1, 1937, and the date he filed his claim. On the other hand, if his pay starts going down—as a result of illness, reduced hours, loss of his job or for any other reason—the worker who is 65 or older should consult the nearest office of the Social Security board at once.

The San Mateo office of the Social Security board is located at 308 Baldwin avenue and the telephone number is San Mateo 3-1171.

In time, Foley pointed out, the new ruling will prove beneficial to many workers who attain age 65 and face the possibility that reduced pay, no matter what the cause, may result in reduced benefits. In the past, he said, some of these workers have chosen to "freeze" their benefit amounts by filing a claim, even though they intended to keep on working. That protected them against any drop n the benefit, but it also prevented any increase. The net effect is that a worker, upon reaching age 65, may "peg" his benefit so that it will not be reduced but can be increased on the basis of his future work record.

HE gave a Gallon... can YOU spare a Pint?

● Out there on the fighting front, when blood spurts there's no way to shut it off with a paltry pint. Many a wounded man has lost a gallon or more ere aid could reach him. That's why they often have to borrow a little from the folks at home. Will you spare a pint—a couple of teacupsful—to save some soldier's life? It's the only *personal* contribution we *can* make to help win the war!

MRS. AMERICA MEETS THE WAR--

Clothing the younger generation adequately should be less of a strain on the wartime pocketbook next year. The War Production Board recently allocated 40 million yards of material for making inexpensive infants and children's clothing and the OPA has set dollars and cents ceiling prices on them. You'll be able to find these in the retail stores in about four or five months and the ceiling price will be right on the price tag. Rompers will be priced at about $1, infants' dresses, from $1.15 to $1.25; girls' dresses, sizes 7 to 14, about $1.85; and boys' pants, from $1.40 to $1.95. These are only a few samples of the many garments covered.

Mr. and Mrs. America too will come in for their share of lower-priced clothes in the New Year. Some women have been finding it difficult to buy simply-finished blouses and dresses for themselves and plain white shirts for their husbands, because it has been more profitable for manufacturers to put a "fancy" or more expensive finish on cloth, rather than sell it to garment makers merely bleached white or with a simple print. However, OPA is revising the method of mark-up so that finishers will soon be turning out more of the inexpensive, simpler cotton and rayon cloth.

And while we're on the subject of wearing apparel, here are a coupe of items which may be of interest to you. Shoes made after December 1 of a certain quality of pigskin, and containing no other leather, may be sold ration free. This type of pigskin, known to shoemakers as "bacon rind", is mostly for women's and children's shoes, and for reinforcing canvas gym shoes to improve their wearing quality. Remember, though, that this doesn't apply to the shoes dealers now have in stock—just to those manufactured after December 1.

A ceiling price of $6.50 a pair has been set on two types of men's army service shoes which have been declared surplus by the Army. They will be sold to civilians as work shoes. A ration stamp will be required for them. Both types have leather soles, one with a leather tap over the sole and the other with an outside rubber tap over the sole. They are russet tan with straight tip and bellows tongue.

If fruits and nuts figure prominently in your holiday menus, make note of these recent price changes. Ceiling prices of bananas grown in Panama, Costa Rica, Guatemala, and Hoduras have been lowered about a cent a pound. Florida tangerines are up about a cent a pound and packed cranberries will cost about three cents more per one pound can. Now ceiling prices for filberts are from two to three cents a pound higher for those in the shell and nine cents higher for the shelled nuts.

Watch Remodeling With Interest

One hundred and fifteen bright-eyed nursery and day care pupils, twelve faculty members, a cook and a housekeeper are watching progress on remodeling of the ground floor at Excelsior school with keen interest. When the work is completed it will mean that the Child Care Center in the school, Lisbon street and Excelsior avenue, has more room to take care of its ever-growing enrollment. In about two weeks, when the project is completed, the nursery and day care divisions will have both ground and second floors to use.

At present no new pupils are being taken due to lack of room. Additions to the waiting list may be made by calling RAndolph 7018.

Bethel No. 26 Plan Whist, Dance

As their contribution to the success of the Sixth War Loan drive, Bethel No. 26, Order of Job's Daughters, will hold a dance and whist at Mission Masonic temple, 2668 Mission street, Friday night, December 8. All proceeds realized from the evening will be used by the bethel to purchase War Bonds.

Miss Audrey Hartley, honored queen, announces that both the card party and dancing will begin at 8:30 p. m. She issues an invitation for the public to attend.

Mrs. Alice E. Swensen, guardian of Bethel No. 26 was elected to the office of grand marshal of the State of California, O. J. D., at the convention in Hollywood, November 9-11. Another convention incident of great interest to Bethel No. 26 was the installation of Mattrup Jensen, its past association guardian, as supreme outer-guard of the International Order of Job's Daughters.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

WASTE PAPER

When salvage paper is collected, to avoid fire hazard, the Department of Agriculture recommends that it be stocked neatly and tied in bundles. Paper boxes should be flattened, then tied in tight bundles. A metal trunk or bin with a tight cover is the safest place to store paper. Next best is to stack paper bundles on a cement floor away from furnace, stove or hot pipes. Soiled or oily paper is useless for salvage and is also a fire hazard and should be destroyed.

WHIST PARTY

Members of the Catholic Ladies Aid society, Branch 59, announce that they will give a whist party at St. Michael's hall, 32 Broad street, Wednesday, December 6, 2 p. m. The public is invited to attend.

Chairman for the card party is Mrs. J. Kelly.

Taxable Value Up

The $140,759,075 taxable value of property in San Mateo county for 1944-45 is up 17 per cent from the $119,834,211 assessed value of property in the county for 1940-41, California Taxpayers' association stated today, making its analysis of assessed valuations in California counties since the Unit-States entered the war.

Property values in the county this year are as follows: Land, $52,369,740; improvements on land, $79,560,055; and personal property and money, $17,246,045. Exemptions, which have been deducted from these valuations, total $7,416,765.
